Webinar on

Behavioural Finance and Investment Decisions

Day & Date: Wednesday, 7th December 2022 ■ **Time:** 04:00 PM to 05:00 PM
Mode: Online on Zoom Application

About the Webinar

There are several psychological factors that influence your investing decisions. It's important to have the right attitude and behaviour to make the right investment choices. Behavioural finance, which is a part of behavioural economics, suggests that people often take decisions based on emotional and hidden biases. The need for action, reluctance to exit a bad investment, and the gambler's mindset are three behavioural biases that can impact your investment decisions. The webinar will be focussing on:

- Enhancing awareness about the Investors' psychology and the biases that stop investors from making informed decisions.
- Superior wealth management leading to financial prosperity.
- Enhancement in employees' satisfaction and productivity.
- Getting answers to their doubts and queries related to the BFSI industry.

Topics to be Covered

- Key aspects of Financial Wellness and its relevance
- Concept of Asset Allocation and its importance
- Concept of Behavioral Finance in investment and its importance
- Cognitive & Emotional biases in investments and the pitfalls
- Best practices in taking informed investment decisions to create wealth
- Open House (Q&A session)
