

Interactive Seminar on

GOVT. POLICY UPDATES

ON INDUSTRIAL ACCIDENTS

PREVENTION UNDER FACTORIES ACT

About the Seminar:

The State of Gujarat thrives with industrial activity and houses factories of diverse sectors and manufacturing capacities. Lately, we have witnessed a rise in industrial accidents in the State and there is a dire need to form a safety culture in the industries.

In view of the same FGI and Director Industrial Safety & Health (DISH), Department of Labour & Employment, Government of Gujarat have organized this seminar with the objective to propagate the policies and recent updates of the Government for prevention of Industrial Accidents under Factories Act. The seminar will emphasize on the importance of safety of industrial workers and zero accident in factories and will update on the changes and compliances which have been introduced as well as those which are going to come in force in near future.
