One-day Workshop on ESG CAPACITY BUILDING for Large Companies and MSMEs

Day & Date: Tuesday, 9th January, 2024 | **Time:** 10:00 AM to 05:00 PM

Venue: FGI Business Centre, Gotri-Sevasi Road, Khanpur, Near-Sevasi, Vadodara

About the Workshop:

As an outcome of The National Conference on Sustainable Futures organized by FGI in November 2023, we have now organized a comprehensive full-day workshop on 'ESG Capacity Building - for Large Companies and MSMEs'. The workshop is designed to empower both large corporations and micro, small, and medium enterprises (MSMEs) on the essentials of Environmental, Social, and Governance (ESG) practices. In this workshop, the faculties will demystify the "what" and "why" of ESG, exploring its evolution and relevance for businesses of all sizes. From understanding sustainability drivers to examining independent standards, the Workshop aims to make ESG accessible to both large and small companies. It will guide participants through crafting effective sustainability strategies, whether you're a multinational giant or a local entrepreneur. The participants will learn the nuances of major reporting frameworks, including the Business Responsibility and Sustainability Report (BRSR) formats, to meet disclosure requirements.

Workshop Contents:

1. The "what" and "why" of ESG for MSMEs

- Evolution of the Sustainable Development agenda
- Sustainability Drivers
- Growth and diversity of independent sustainability standards
- Human Rights and Disclosure related Regulations

2. Sustainability frameworks

- Evolution of Sustainability Frameworks
- How Sustainability Frameworks stack up

3. Building a sustainability strategy

- What should a Sustainability Strategy look like?
- Strategy building process

4. Sustainability reporting & disclosures

- Mandatory Disclosure Frameworks - India
- Features of the major reporting frameworks
- BRSR formats

Who should Attend?

- MD, Directors, CEO, Owner, Partners, Promoters, Decision Makers of large industries and MSMEs.
- Concerned Heads and Sr. Executives from Sustainability, ESG, EHS, Operations, HR, CSR Department and Personnel in charge of ESG in organizations.
- Sustainability, Climate & Environment Management and CSR professionals

Training Faculty: Faculties from ECube Investment Advisors:

Ecube, founded by a team with deep corporate and operating experience, is an Environment, Social and Governance (ESG) focused platform. ECube's ESG Solutions supports investors and companies in their ESG journeys, helping develop business relevant ESG strategies and their deployment. ECube is also developing distinct channels to accelerate the growth of ESG and Climate Change related investments in India, with innovative solutions for debt and equity.

How to Attend?
