Day & Date: Thursday, 12th May 2022 ▪ **Time:** 11:00 AM to 01:00 PM (Followed by Lunch)
Venue: FGI Business Centre, Sevasi, Vadodara

ABOUT THE SEMINAR

India may be miles ahead than other countries in the speed and ease of payments but just because we can pay fast, doesn't mean we do. The biggest problem of MSMEs, Startups and other enterprises is the recovery of stuck up and delayed payments from their buyers.

Delayed payment adversely affects the cash flow and the ability to trade smoothly and efficiently, particularly by the MSMEs and because of this reason, a large number of MSMEs and other enterprises have been forced to shut their businesses.

This seminar will dive deeper into topics important for MSMEs such as:

- Delayed Payment Provision under MSMED Act, 2006
- Samadhan Portal, Role of MSEFC and Delay Payment Provisions of MSMED Act, 2006
- Arbitration
- Trade Receivables Discounting System (TReDS) Platform
- General Overview of Industrial Policy
- Gujarat Industrial Policy 2020
