About the Webinar:

In Finance Act 2022, Hon'ble Finance Minister proposed section 194R proposing withholding of taxes on various benefits and perquisites provided in the course of business and profession in kind or partly in kind and partly in cash.

Section 194R will be effective from 1 July 2022 and last week Central Board of Direct Taxes has issued Circular clarifying various issues in this regard. Though, government has issued the circular but practical implementation of this provision will not be an easy task for the industry players.

Hence, Federation of Gujarat Industries is organising a webinar on this issue to discuss the same with our expert speaker. Request you to please register for this webinar and take benefit of perspective of experts on this matter.
