

Session on

ICD - CONCOR : A GATEWAY FOR EXPORT - IMPORT

(Gati Shakti Cargo Terminal)

Day & Date: Friday, 29th December, 2023 | **Time:** 04:00 PM to 05:00 PM

Venue: FGI Business Centre, Gotri-Sevasi Road, Khanpur, Near-Sevasi, Vadodara

About the Session:

The Government of India launched the PM Gati Shakti program on 13th October 2021, with the goal of achieving self-reliance and a \$5 trillion economy by 2025. To realise this vision, there was a pressing need to establish a comprehensive and efficient multimodal transportation and last-mile connectivity infrastructure across the country. Such infrastructure is required to achieve a balanced mix of transportation methods, reduced logistics costs, enhanced export competitiveness, and a positive cycle of increased investments, economic growth, and job creation. PM Gati Shakti aims to achieve these objectives through integrated planning and coordinated project execution involving all relevant ministries and state governments.

In pursuance to Hon'ble Prime Minister's vision of "Gati Shakti" and Ministry of Railways' Policy regarding 'Gati Shakti Multi-Modal Cargo Terminal' (GCT) launched on 15th December 2021, Gati Shakti Cargo Terminals are being developed for handling rail cargos.

In view of above, FGI & CONCOR, ICD has jointly organized a Session on 'ICD - CONCOR: A Gateway For Export - Import (GATI SHAKTI CARGO TERMINAL)' which will help the organization in availing the services of CONCOR, ICD to cater the needs of Exporters & Importers as well as cargo handling services, ensuring sufficient logistic solutions to enhance customer's business operations.
